## QUALITY GUARANTEED

All our chefs have been vetted and reviewed by guest to ensure great dining experience.

## Over 2,000 happy guests.

We empower our clients to feel confident as party hosts, so they don't have to worry about food or logistics, but rather spend memorable time with their guests.

Clubvivre is always my first choice when I host dinners, as the quality of food, the extraordinary service and the attention to detail are all outstanding. Now I get to enjoy the party too!
